

Powerful Principles for Growth in the Body of Christ

TRUST

CONFIDENCE IN ANOTHER

Trust is firm belief or confidence in the honesty, integrity or reliability of another person. A basic level of trust is needed for any relationship; greater levels of trust are needed for closer relationships. Though trust takes time to develop, it's essential for a lasting relationship. Trust is serious business to the Lord. Our trust in Him is to be complete. It is having total confidence in Him.
