

The Prayer of a Relationship-Builder

Dear Lord, please help me to treat others with *dignity* and *respect*. Help me to *encourage, listen, appreciate* and *trust*.

Help me to live with the *integrity* and *order* that is a blessing to others. Prompt me to *nurture* as needed, and give me a cooperative spirit that allows *synergy* to flourish.

Grant me the well-spring of *hope* and the treasure of *ideals*. And remind me, when others fail to exhibit the above qualities, to *pardon* them as You have pardoned me.

Thank you, Lord, for relationships. May the way I relate to others be a refreshing witness of the life-changing relationship I have with You.
